

REMARKS

Applicants has canceled claims 1-11 as presented in the published PCT application and has amended the claims to conform same to the amendment presented under Article 34 in the International Phase of PCT/NZ2004/000165 and to remove improper multiple dependencies in accordance with United States law. New claims have been presented to avoid any confusion as to which claims Applicants request be examined. Applicants submit that these are the only claims to be examined in this application. Entry and consideration of same during the United States National Phase application is requested.

As Applicant is not aware of any prior art which would anticipate or would render obvious the claims of the present application, early allowance is requested. Should the Examiner have any questions regarding this Amendment, the Examiner is invited to contact one of the undersigned attorneys at (312) 704-1890.

Respectfully submitted,
